

*"MAKING A DIFFERENCE...
ONE PLAY AT A TIME!"*

Todd Bates (#56 DE 2001-2004)
2004 Alabama Permanent Team Captain

Coach Todd Bates Camp Vision:

Throughout my life, the game of football has prepared me for real world experiences. Sometimes you get knocked down and all around, but in the end--depending on what you're made of -- you get up again and again!

The Todd Bates skills camp started to help players on the field, as well as, help them realize the importance of their behavior off the playing field. Today's youth are receiving mixed signals from excellent athletes who have the privilege of being the faces of their organizations, but instead they are making bad decisions. This is the main reason I stress character building at my camps. Guest speakers give participants an encouraging message, as well as, break down the importance of their behavior at home, in the classroom, and on the field.

So many times while I was growing up colleges nationwide overlooked athletes from East Alabama. My vision is for this camp to serve as a tool that will bring more exposure to young talented athletes. The Todd Bates Football Skills Camp is growing every year and by God's grace, the camp will only get bigger and better!
